ABOUT US

Genef Consult works as a bridge between international students and universities. Our vision is to secure positions for students and push them to excellence.

OUR MISSION

Create opportunities for the students to build up their careers by achieving a high quality of education and assist educational institutions in making diversified classrooms.

Our Services Student Services

CAREER COUNSELING

We can guide you based on your previous studies, academic results, career perspectives, financial support, future plan, and so on.

UNIVERSITY AND PROGRAM SELECTION.

With so many institutions and programs to choose from, students may find it challenging to decide what to study and where to study. As a result, we will aid you in selecting the finest university and program. In addition, after selecting the universities, our counselors will provide a general overview of the universities and programs.

ADMISSION APPLICATION SUPPORT

After choosing the Universities and desired course, our experts will guide you regarding how to write your SOP (Statement of Purpose) letter, Letter of Intent, Curriculum of Vitae, and so on.

VISA APPLICATION ASSISTANCE

Our skilled counselors assist with the visa application process including translating the documents and sending the important documents through courier if needed.

ACCOMMODATION ASSISTANCE

Genef Consult assists its students in applying for or finding student dormitories or student residences on or off campus. Area-based housing demands and sharing accommodation priorities are sometimes taken into account. Our counselors have fair conversations with the students and identify the finest available accommodation service for the students based on their budget, comforts, and other mitigating factors.

AFTER ARRIVAL COUNSELING

Each country has its own set of rules and regulations. According to the guidelines, Genef Consult gives advice on how to get the residence permit, open a bank account, connect with local offices, register for universities, handle administrative concerns at institutions, look for jobs, and so on. In the event of an emergency, Genef Consult offers a pick-up service upon arrival in the new country, subject to certain conditions. Their budget, comforts, and other mitigating factors.

GENEF CHAPERONE SERVICES

To help assuage the fear of change in a new environment for some students, Genef offers a tailored service to students who are sent to study by their parents. To ensure maximum compliance Genef gives a monthly review to the parents on how well the student is fairing both physically and educationally. Where students need support educationally, Genef steps in and create an after class education group based on the subject(s) the student is lacking.
